BOND WITH THE CRETAN SOULS

Crete's wild beauty provides the perfect backdrop for an unforgettable wedding. Embraced by the Cretan souls, two lovers forge a bond that one far-away day shall be weathered yet peaceful like the island where it began.

Celebrate your most special day in the extraordinary atmosphere of one of our two five-star resorts: The lavishly relaxing Royal Blue by the seaside or the naturally joyful Royal Senses on the mountainside.

Authentic Cretan hospitality means sharing what we love: Our staff, generous and grounded in the local culture and community, will feel like your Greek family, the natural extension of your wedding party.

From our family to yours, we'd love to make your dream of an extraordinary island wedding come true.
